

Check out the website update!

We're so excited to share the updates to the school website with everyone. To navigate the new site there is a menu at the top of the site (see picture above). If you hover over the top of the menu titles, subpages will pop up for you to find out more information.

<p>Where can I find the calendar? Calendar is on the main menu. It is possible it won't show up on smaller screens. If this happens, select "More..." on the far right and calendar should be part of the drop down menu.</p>	<p>Where is the lunch menu? Under the "Admissions" tab is the "Hot Lunch Program" as part of the drop down menu.</p>	<p>Where are the class sites? Under the "Academics" section you will see "Class Sites" as part of the drop down menu.</p>
<p>Where are the handbooks? You can find the handbook for preschool and kindergarten through eighth grade on the main "Admissions" page.</p>	<p>How can I sign up for Falcon Alerts? Under the "About" section you will find "Falcon Alerts" as part of the drop down menu.</p>	<p>Can I find the previous Falcon Flyers? Under the "Extras" section you will find "Falcon Flyers" as part of the drop down menu.</p>

I have a friend interested in SGB, where should they look for [admission information](#)? "Admissions" is part of the main menu options. Under "Admissions" you will find the "Tuition", "SCRIP", "School Tour", "SACC", and "Hot Lunch Program" as part of the drop down menu.
